The California Tow Truck Association [CTTA] is a 501(c)(6) trade association, which represents nearly 900 towing companies within the state of California. CTTA was established in 1969 to increase professionalism in the towing industry and the safety of the motoring public. Created by and for towing company owners, CTTA offers an extensive driver training and education program, which is approved by the CHP and works on an ongoing basis with government entities to ensure the safe and expeditious removal of disabled vehicles from California's roadways. This ensures the best possible service to the motoring public. For more information, please email ctta@ctta.com
