- *AB 516 (CHIU) "Poverty Tows"*

Opposition was slow, and there is significant opposition now. Next step is to be heard by Senate Appropriations Committee. Bill has improved: No longer impacts expired registrations, 72 hours has changed to 5 business days, but it would eliminate tows for 5 or more parking tickets. Discussion regarding bill, CTTA's approach, and strategy.

- *AB 1359 (Santiago)- "Insurance Bill"*

Last year, established "reasonable rates" as those offered by law enforcement or comparable rates charged by other towing companies in same area. Insurance industry is still worried about enforcement. AB 1359 initiated "continuing the conversation" and will focus on a statewide regulatory scheme.
